Eberl Iron Works, Inc. Order Form Manual

Eberl Iron Works, Inc. provides custom-formed stair pan risers, floor plate stair treads and bent plate to the miscellaneous and structural steel markets.

Our extensive inventory permits us to fill orders in time frames required by our customers. Let our customer service department help you with your next stair job.

The Eberl team is composed of men and women dedicated to customer service, quality products and respect for each other.

Eberl Iron Works, Inc is an eighty five year old family owned business. We began as a small welding and fabrication shop founded on the principles of service and a commitment to excellence. We have grown over the years as a result of our commitment to these principles. Today our customers can expect a difference when dealing with our fabrication and service teams.

We look forward to working with your company in the future.

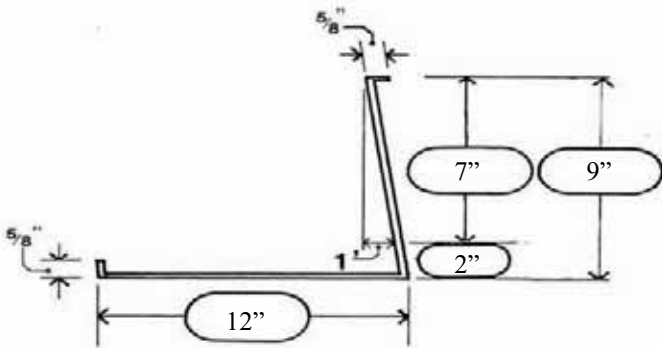

How To Use This Manual

This manual was designed to help customers obtain quotes for stair pans, treads and bent plate. Locate the form required. Fill in all dimensions including quantity, material thickness, length and markings required. Note special requirements for notching, punching and painting. Fax the completed forms to the Eberl Iron Works customer service department for your quote.

Internet

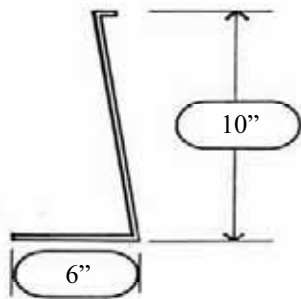

Quotes can also be obtained via www.stairpans.com. This new website is the only one of its kind for stair pan quotes. Quotes can be viewed, updated and more. Open an account by filling in your company's information and a quote will be quickly returned.
